HOW THEY MET Through a mutual friend

THEIR ENGAGEMENT PERIOD 13 months

THEIR WEDDING STYLE When they started planning, Kelly and Jack knew they wanted to include subtle hints of both their backgrounds—Kelly is half-Korean, and Jack is a Mainer. From there, they decided on a vibrant outdoor theme, including Korean-inspired favors and tables named after local islands. —Amanda Black

the gown
Kelly wore a strapless lace-trimmed wedding gown and finished it with a simple veil.

the favors
Handmade lovebird favors were placed at each seat. They were a modern take on traditional Korean wedding ducks.

the centerpieces
Small arrangements of pink peonies, sweet peas and orchids topped the tables to create a fresh, just-picked look.
